

Wave Platform: **Decentralized Multi-Utility** **Ecosystem Powered by** **Blockchain and Web3** **Technology**

Revolutionizing the Future of Crypto with Multichain Integration,
Gaming, Payments, and More

What is Wave Platform?

- A Decentralized, Multichain, Multiutility Web3 Ecosystem.
- Built On Binance Smart Chain, Polygon, Lycan, And Ethereum.
- Offers Crypto Payments, Gaming, Staking, NFTs, And More.

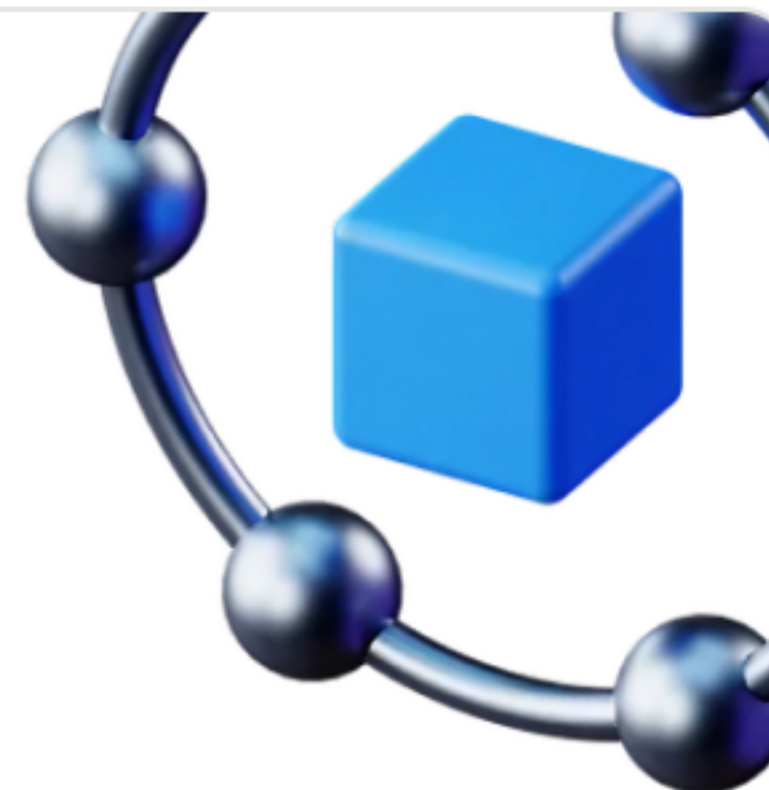

Challenges in the Current **Crypto** Space

**01**

Limited interoperability across blockchains.

**02**

Lack of real-world utility for tokens.

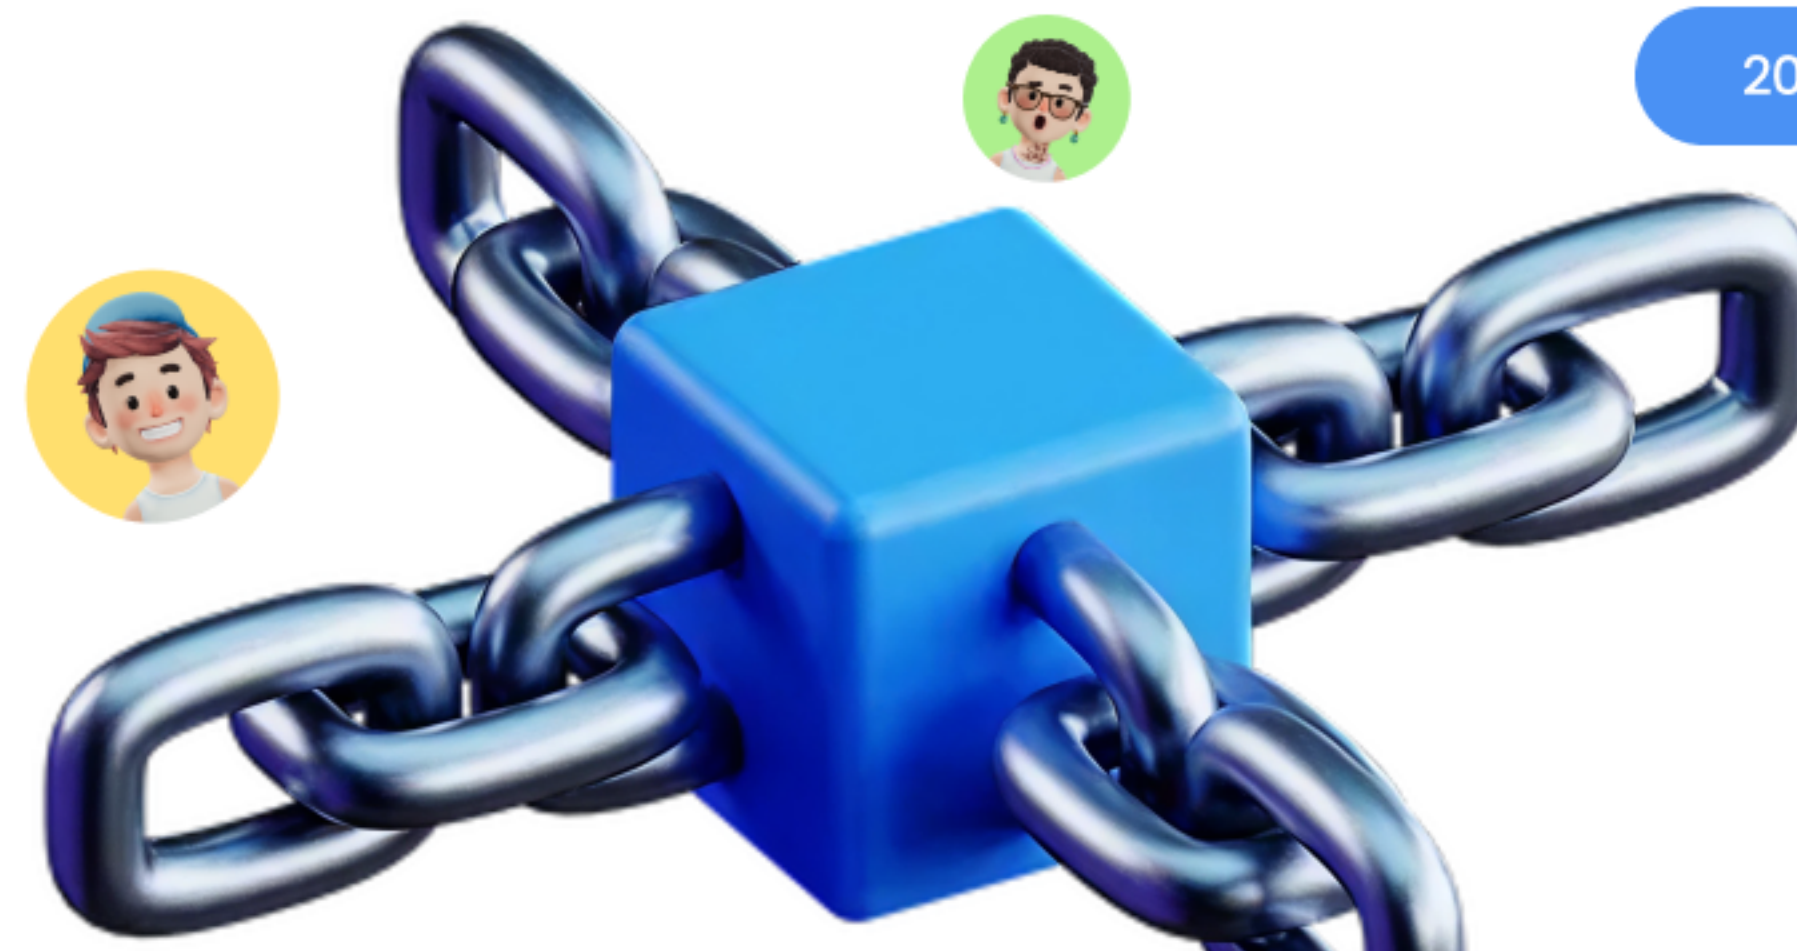

**03**

High barriers to entry for newcomers.

**04**

Centralization risks in many platforms.

How **Wave Platform** Solves These Challenges

01

Multichain Integration

Limited interoperability across blockchains.

02

Multiutility Ecosystem

Lack of real-world utility for tokens.

03

User-Friendly Design

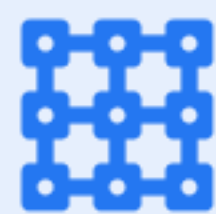

High barriers to entry for newcomers.

04

True Decentralization

Centralization risks in many platforms.

Wave's **Blockchain** Architecture

Cross-Chain Compatibility

Seamless interaction across blockchains.

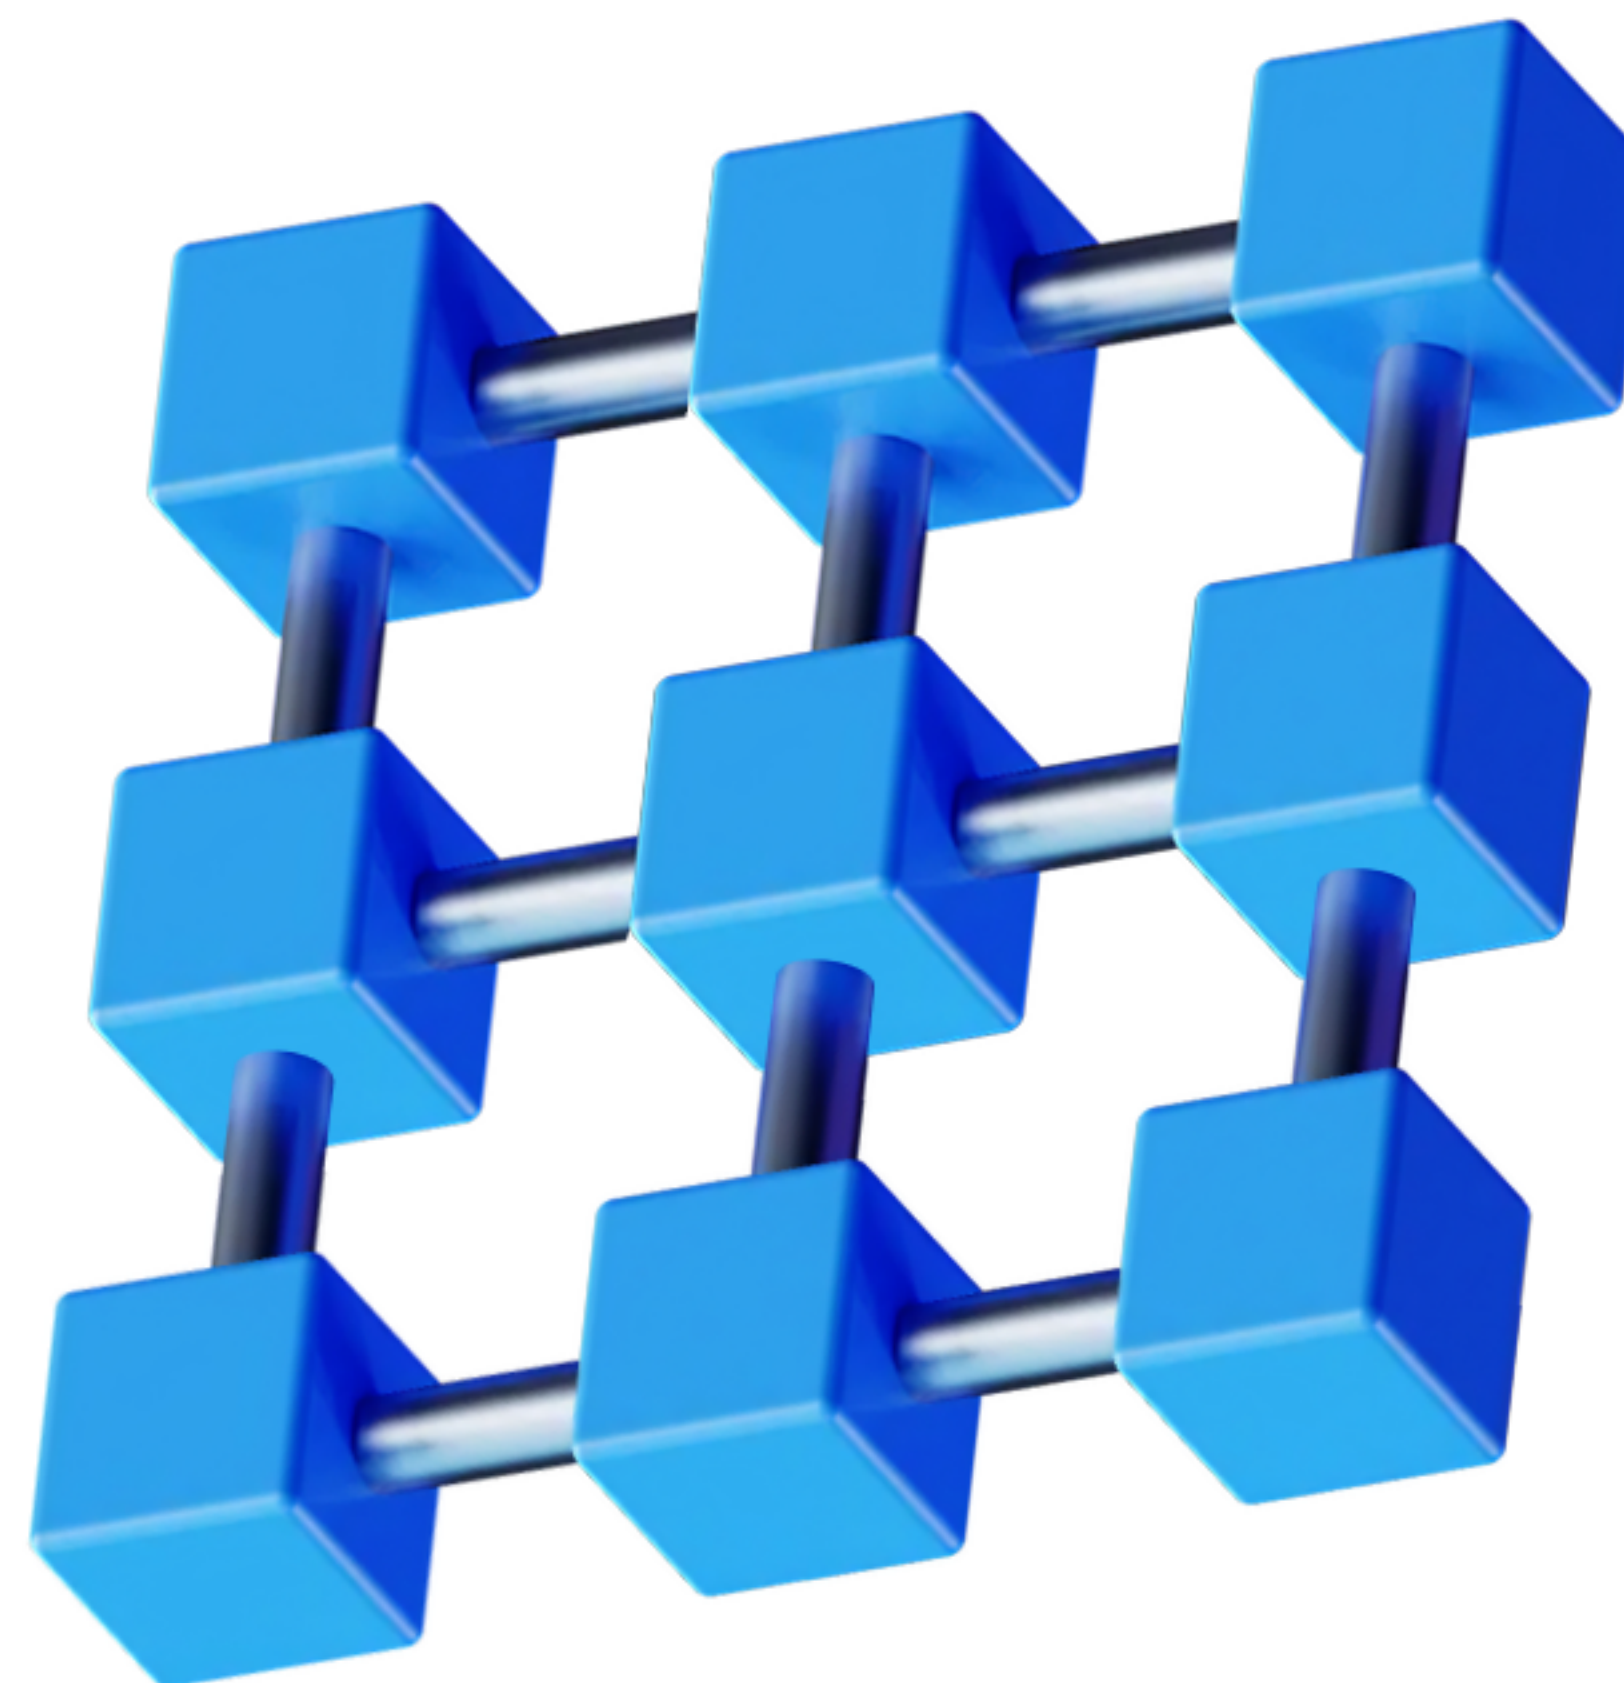

Smart Contracts

Secure and automated transactions.

Layer-2 Solutions

Faster and cheaper transactions via Polygon and Lycan.

Embracing **Web3** Principles

Decentralized Identity (DID)

Users control their data.

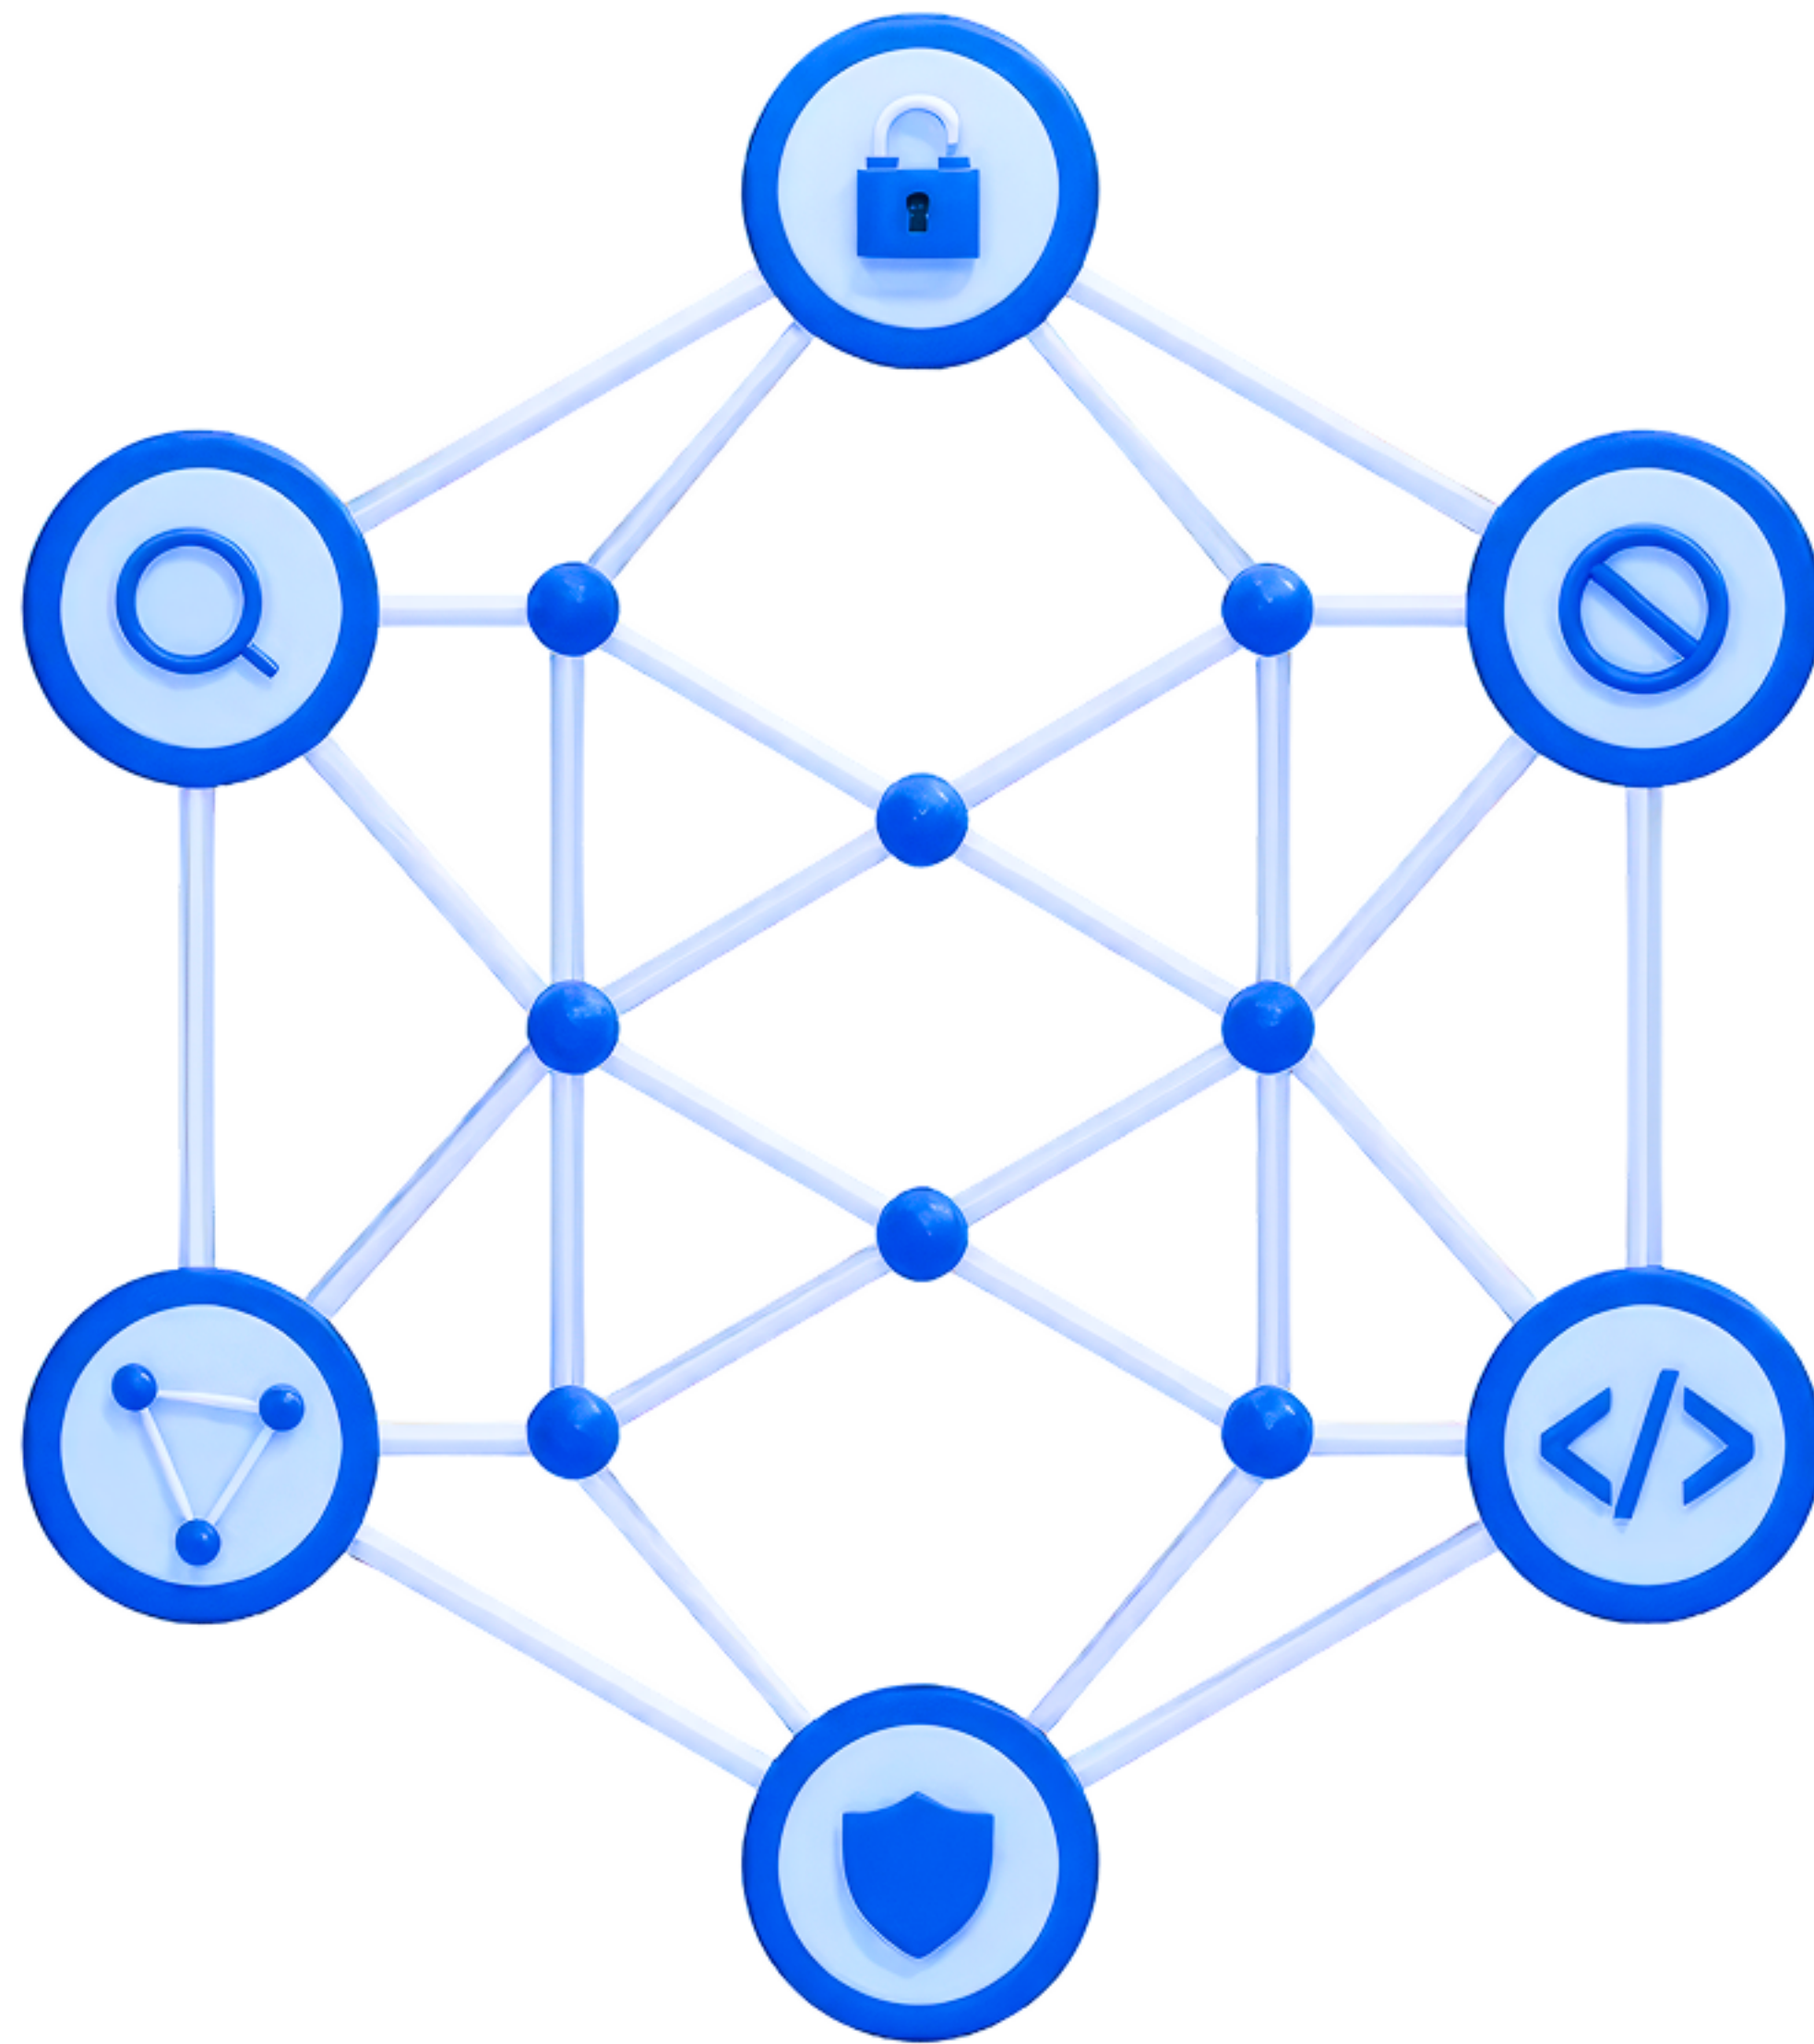

Interoperability

Works with other Web3 apps and protocols.

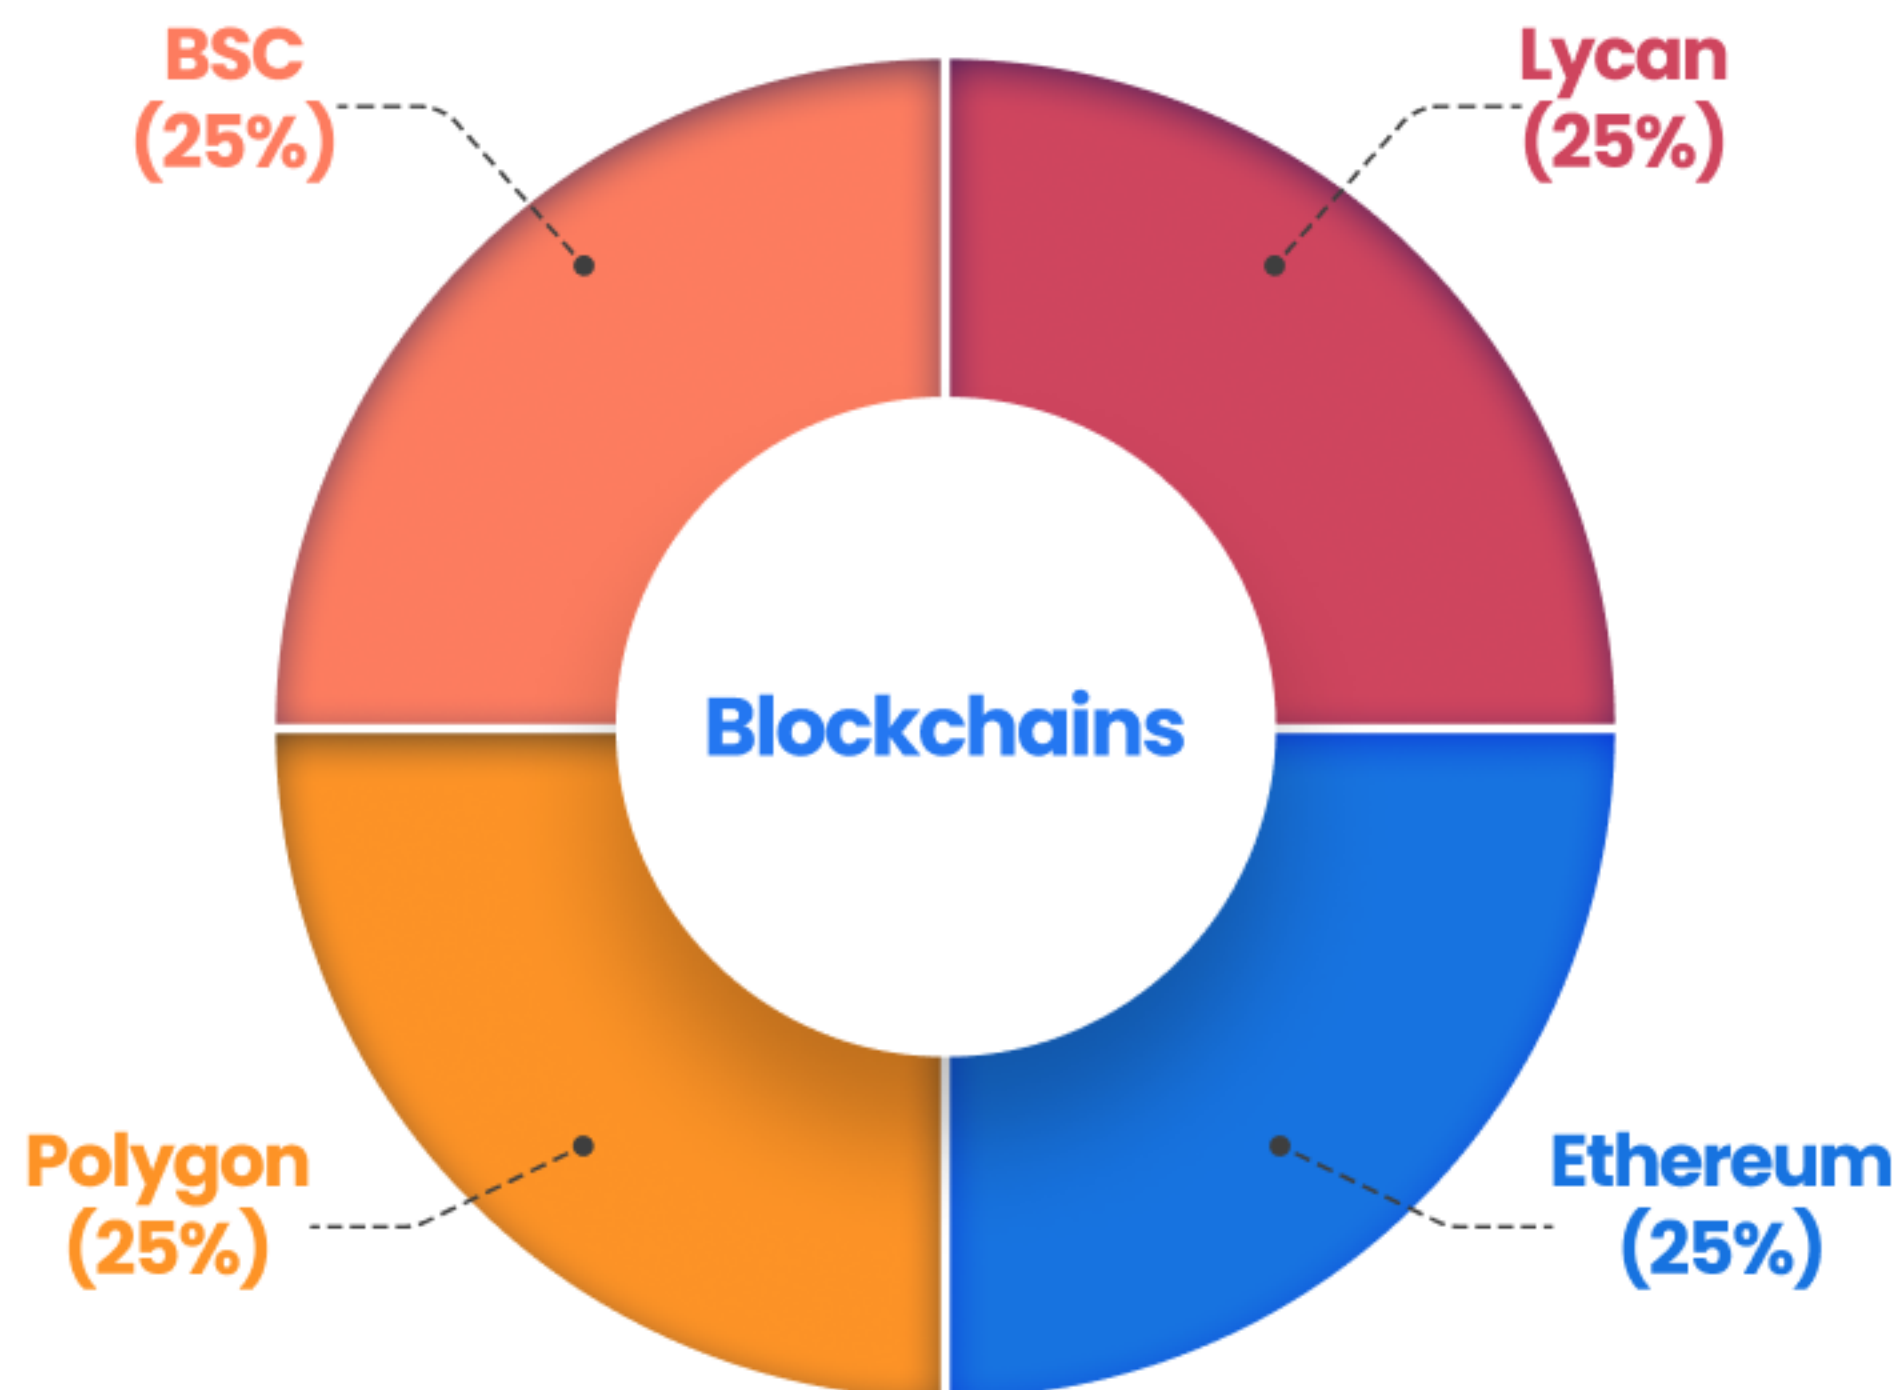

User Ownership

True ownership of digital assets.

WAVE Multi-Chain Token Overview

Token Name

Wave Token (WAVE)

Total Supply

100,000,000,0 WAVE

Blockchains

BSC (25%), Polygon (25%),
Lycan (25%), Ethereum (25%)

WAVE Tokenomics Distribution

Pre-Sale & Fairsale: 23%

Staking Rewards: 15%

Team: 8%

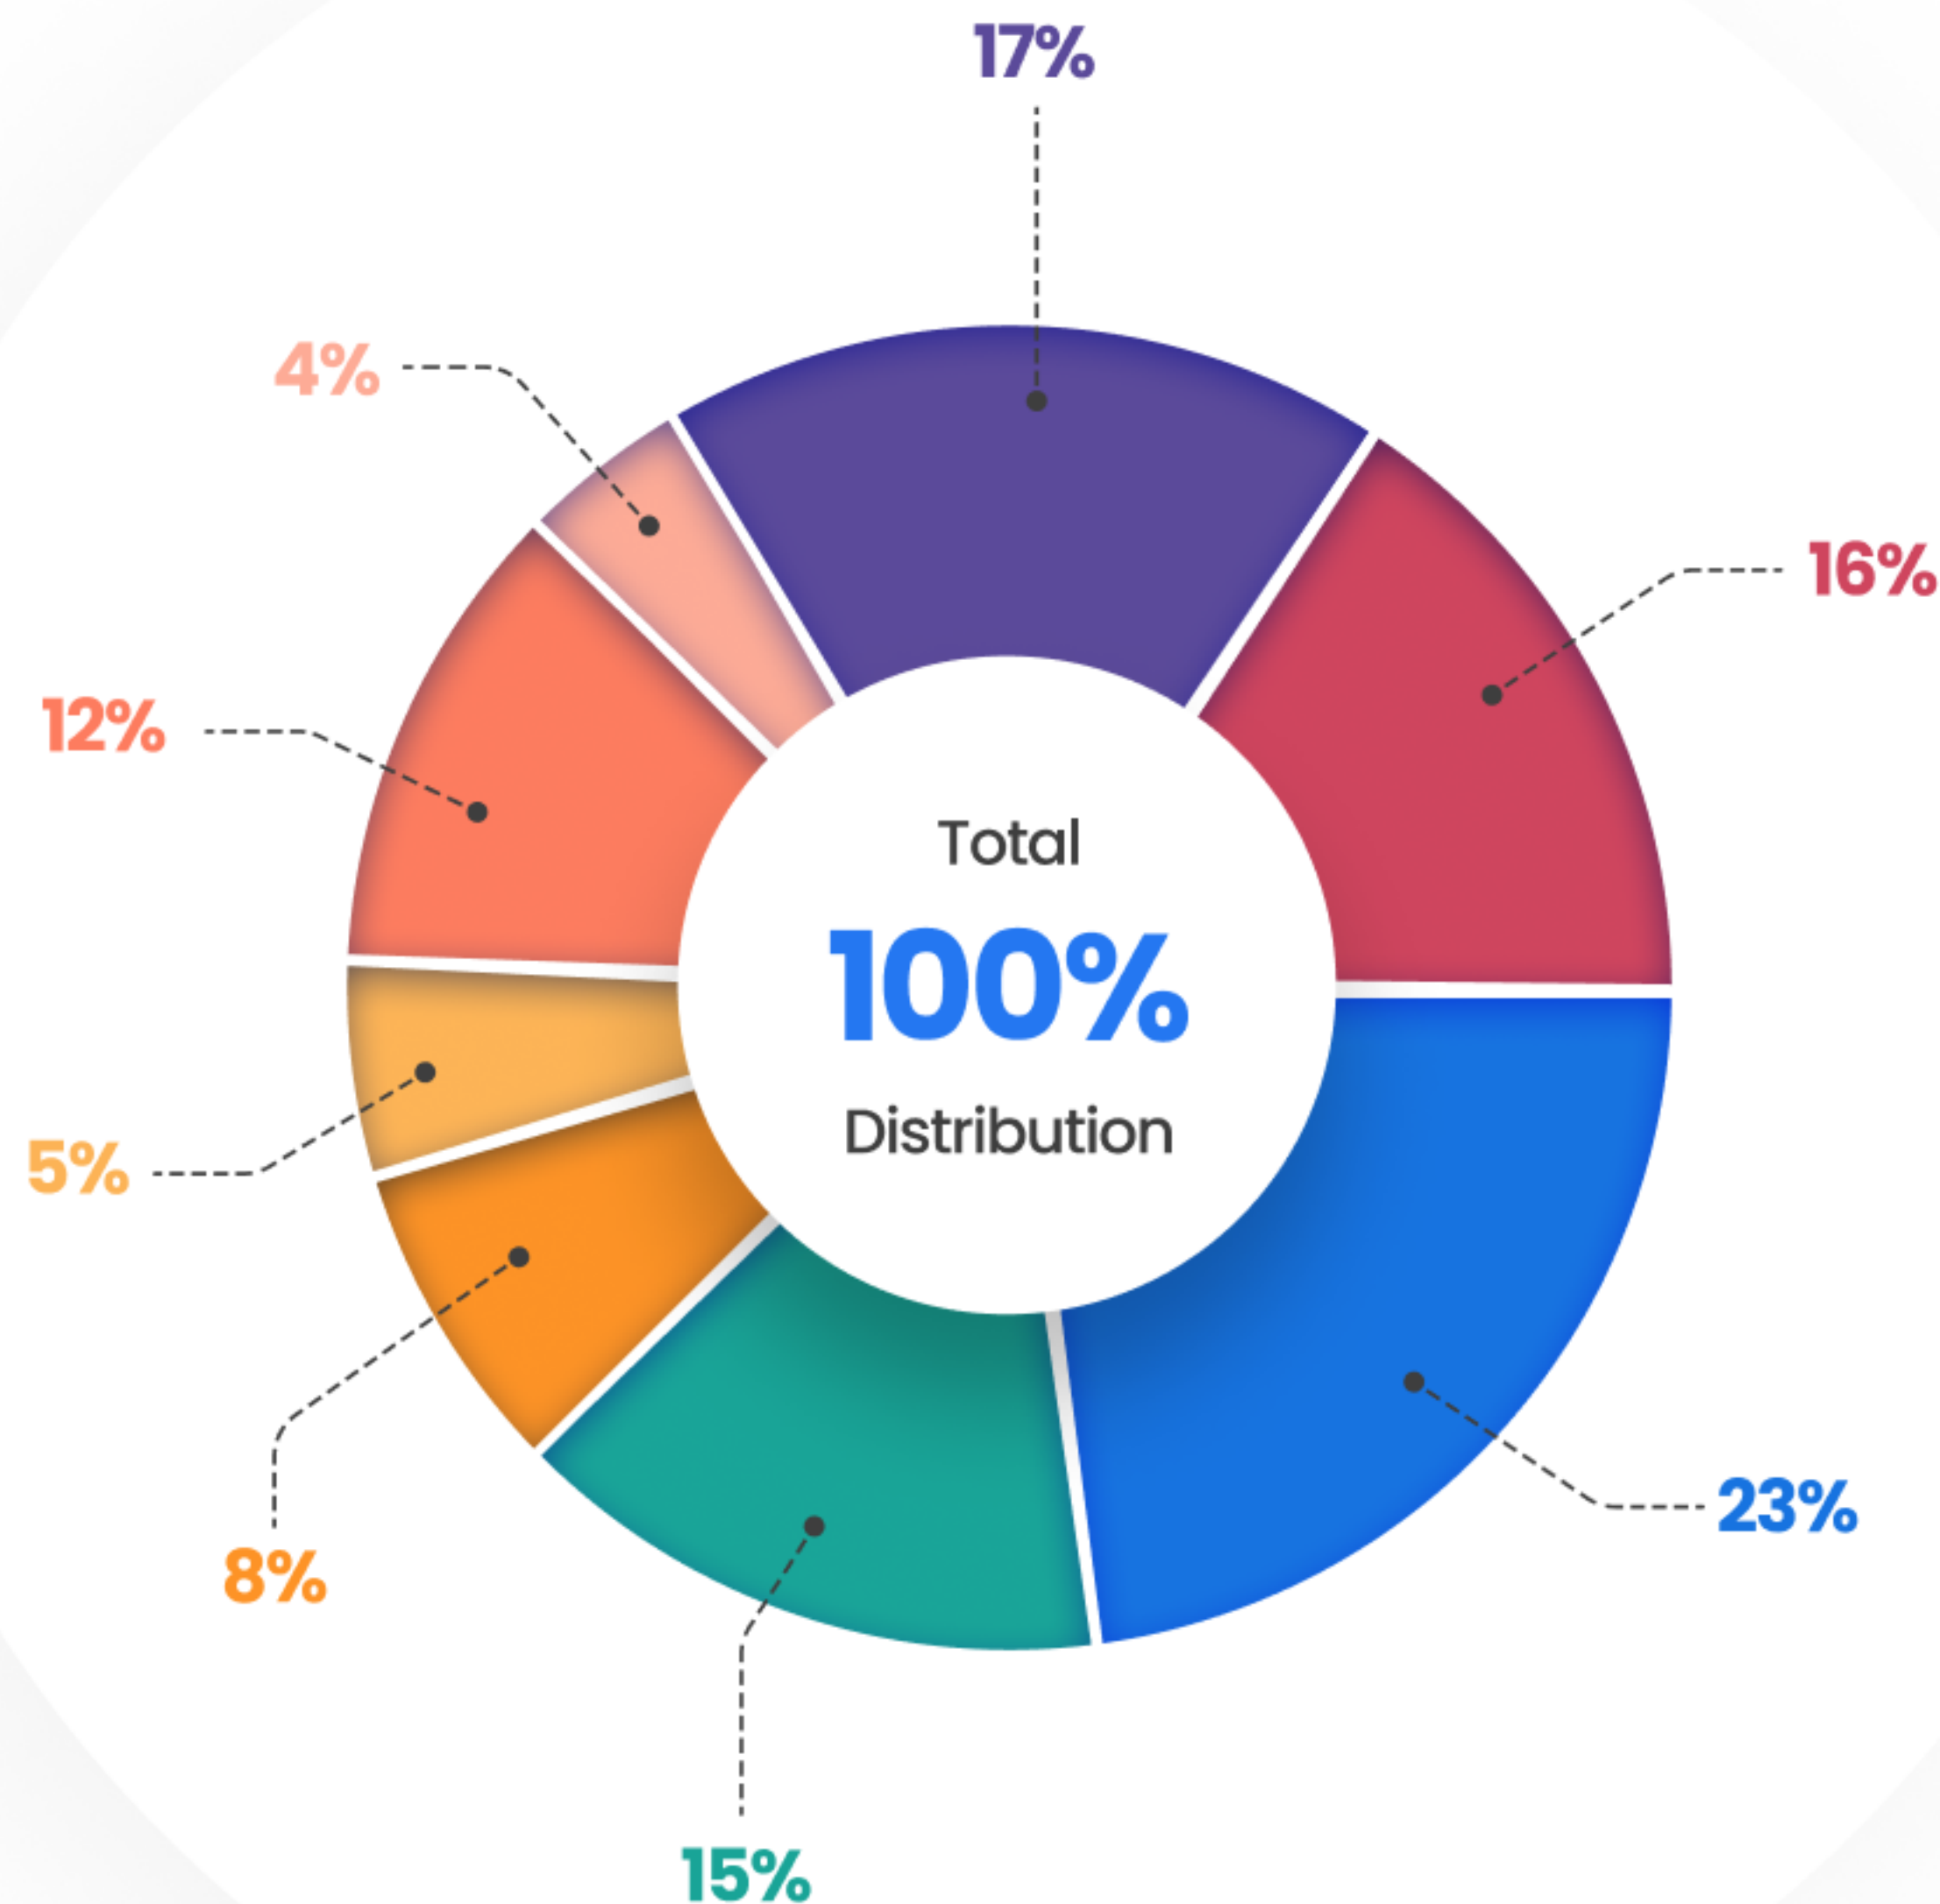

Advisors: 5%

Marketing: 12%

Airdrop: 4%

Ecosystem Development: 17%

Liquidity: 16%

Use Cases for **WAVE** Token

Payments

Transactions in Wave Store and Payment Gateway.

Staking

Earn rewards by staking WAVE.

Governance

Participate in platform decisions.

Access

Unlock premium features like Arbitrage Bot and staking .

Comprehensive Utilities

Wave Money App

Manage daily utility needs.

NFT Marketplace

Create, trade, and own digital assets.

Crypto Gaming

Play-to-earn and tap-to-earn games.

Micro Tasks App

Earn crypto by completing tasks.

Crypto Card

Spend crypto anywhere.

Staking Platform

Earn passive income.

Arbitrage Bot

Automated trading for profits.

Crypto Payment Gateway

Accept crypto payments.

Learning & Earning

Buy courses through crypto

International Forex

Deposit and withdrawal in forex trading

Crypto Exchange

Buy, sell & trade crypto easily with low fees and top security.

Wave Blockchain

Fast, secure, and scalable blockchain for all.

AI Calling

Automated Smart voice calls via AI.

Roadmap

Q1 2025

Launch of Wave Platform.
Community airdrop through tap-to-earn games.
Presale & Fairsale launch.
Introduction of Wave Staking.
Release of Wave Money App.
Opening of Wave Store.

Q2 2025

Listing on CMC, CG, and launchpads.
Integration of crypto gaming utilities.
Launch of Wave Crypto Card.
Introduction of Crypto Payment Gateway.
Listing on multiple reputed exchanges.

Q3 2025

Arbitrage Bot Utility through subscription model.
Launch of staking platform.
Introduction of NFT Marketplace.
Crypto Exchange: Buy, sell & trade crypto easily with low fees and top security.
Automated Smart voice calls via AI.

Q4 2025

Launch of multi-chain cross-payment bridge.
Release of micro tasks mobile app.
Strategic acquisitions and partnerships.
Wave Blockchain: Fast, secure, and scalable blockchain for all utilities.

Commitment to **Security**

Smart Contract Audits

Regular third-party audits.

Decentralized Storage

Protects user data.

2FA

Enhanced account security.

KYC/AML

Compliance with global regulations.

Wave Staking: Join the Revolution

Unlock Exclusive Benefits & Daily Growth—Start With Just \$30 Today.

Affordable Entry

Join with just 30\$.

Daily Value Growth

Your staking appreciates over time.

Exclusive Benefits

Access to special rewards, events, and early features.

How does **Wave Staking** Works?

**You Stake
30 USDT
Worth Of WAVE
Tokens.**

**You Get
0.08 USDT Worth Of
WAVE Tokens
Everyday For 25
Months.**

**Your Staked WAVE
Tokens Value
Becomes 2X In Just
25 Months.**

Wave Holding Opportunity

Unlock the massive income upto
100x in few years.

Affiliate **Income** Opportunity

Three Types Of Income:

1. Direct Referral
2. Referral On ROI
3. Rewards

1. Direct Referral

Refer Your Friends And Earn 5% Direct Referral Income Instantly!
The More You Refer, The More You Earn—Start Building Your Network
Today
